## Booking information

### Arrival:

Your room will be ready for you from 15:00 on the day of arrival.

To gain access to the hotel lobby, please use the keypad in front of the entrance and enter the **code 85236**.

Prominently located on the reception counter you will find our check-in terminal.

At the self-service terminal, you scan your check-in pass or enter your name and follow the instructions on the screen. You programme the key card yourself.

### **Departure:**

The room is available until 11 a.m. on the day of departure. You can also use the self-service terminal to check out. Simply drop your room card in the red letterbox in the lobby.

### **Hotelbird-App:**

For an uncomplicated check in, room opening with your cell phone and many other functions, we recommend the Hotelbird mobile app in the [Apple App Store](#) or on [Google Play](#).
